## 6 Nomination Criteria

### Individual Events

- 6.1 The National Federation will nominate all Athletes who have been allocated a quota place by name in accordance with the Qualification System.
- 6.2 For the purposes of direct qualification under the Qualification System, in the event that the number of Athletes within a division who are ranked in the top 18 on the World Ranking List as at 28 June 2021 exceeds the number of quota places available, then quota places will be allocated to Athletes in order of highest ranking on that list, with the Athlete who has achieved the highest ranking ordered first. For the avoidance of doubt, a ranking of 1 is the highest possible ranking.

### Mixed Team Event

- 6.3 In determining which Athletes will participate in the mixed team event, the National Federation may have regard to any, all or none of the following factors, in its absolute discretion, which may or may not be exercised:
- (a) the Athlete's past performances at domestic and international competitions;
  - (b) the Athlete's physical form and fitness;
  - (c) the benefit or detriment of the Athlete's membership in the mixed team event with respect to the team's dynamics and performance;

(d) any other factors the National Federation considers relevant.

6.4 In accordance with the IJF's 'FAQ: Judo Qualification System Olympic Games 2020', which supplements the Qualification System, for an Athlete to be eligible for the mixed team event, the Athlete must have qualified for the Games in an individual event.
