5. DISCLOSURE OF ANY CONFLICT OF INTEREST

The Judo Australia Code of Conduct (the Code) requires volunteers, selectors, and employees to take reasonable steps to avoid any conflict of interest, real or apparent, in connection with their role.

A real conflict of interest occurs where there is a conflict between their duty and personal interests of an athlete that improperly influences the outcome of their task.

An apparent conflict of interest occurs where it appears that an employee's personal interests could improperly influence the performance of his or her duties but this is not in fact the case.

The appearance of a conflict can be just as damaging to athlete and member confidence in public administration as a conflict which gives rise to a concern based on objective facts.

Conflicts of interest, real or apparent, cannot always be avoided. Where this is the case, the Code requires all members of Judo Australia to disclose details of any material personal interest of the member in connection with their role.

Athletes should have every confidence in the integrity of the Judo Australia Selection Committee, and to know that the Judo Australia Selection Committee or employee's personal interests do not conflict with his or her duties. The management of any conflict is managed by Judo Australia CEO.

6. INJURY/ILLNESS OF TEAM MEMBER

- 6.1.** Athletes are required to report all performance limiting injuries, illnesses, conditions or medical operations that occur prior to or after their selection for the Competition. Reporting includes providing medical evidence to the High-Performance team (CombatAUS High Performance Director, JA General Manager of Performance and Pathways, National Coaches, AW&E Manager) relating to the assessment, treatment and rehabilitation plan.
