To speed up the draw proceedings - changes to names will not be permitted, as these should be corrected as part of the entry checking process.

The National Points System shall be used to seed players in the Senior, Junior and Cadet Men's and Women's divisions. Maximum separation by State and Clubs will be applied to the Boys and Girls divisions where possible.

States are able to separate their top two players in the Boys and Girls divisions by providing this information by email to the JA Sports Director, Luis Val - [luisval@jinet.net.au](mailto:luisval@jinet.net.au) by 24 May 2024.

Changes in 'separations' will be allowed up until two weeks prior to the Draw 24 May 2024. Any separated player who changes weight divisions after this date will have the separation removed and there will be no further separations for that State in that division.

After the draws are completed, the draws will be published on JudoManager. Please note, photocopies of the draws will not be provided to each State.

Note: For Cadets, Junior and Senior Men's and Women's divisions with 4 - 6 competitors, a division redraw will be conducted if a competitor should withdraw prior to the start of the division block. This is done to avoid the potential scenario of a player being placed with a medal without having won a match. For other categories where there is a withdrawal, the draw will be maintained.
