## **5. DISCLOSURE OF ANY CONFLICT OF INTEREST**

The Judo Australia Code of Conduct (the Code) requires volunteers, selectors, and employees to take reasonable steps to avoid any conflict of interest, real or apparent, in connection with their role.

A real conflict of interest occurs where there is a conflict between their duty and personal interests of an athlete that improperly influences the outcome of their task.

An apparent conflict of interest occurs where it appears that an employee's personal interests could improperly influence the performance of his or her duties but this is not in fact the case.

The appearance of a conflict can be just as damaging to athlete and member confidence in public administration as a conflict which gives rise to a concern based on objective facts.

Conflicts of interest, real or apparent, cannot always be avoided. Where this is the case, the Code requires all members of Judo Australia to disclose details of any material personal interest of the member in connection with their role.

Athletes should have every confidence in the integrity of the Judo Australia Selection Committee, and to know that the Judo Australia Selection Committee or employee's personal interests do not conflict with his or her duties. The management of any conflict is managed by Judo Australia CEO.

## **6. EXTENUATING CIRCUMSTANCES**

In considering athletes' performances under these criteria, the NSC may consider and approve "extenuating circumstances".

For the purposes of this clause, extenuating circumstances means an inability to compete, attend training camps or perform at an optimum level arising from:

- a) Injury or illness;
- b) Bereavement or personal misfortune;
- c) Any other factors reasonably considered by the NSC to constitute extenuating circumstances.

A decision as to whether Extenuating Circumstances may apply to an athlete will be made by the NSC on an individual case by case basis and will be specifically noted in the selection announcement. There is no appeal against any decision made in respect of extenuating circumstances.

## **7. INJURY/ILLNESS OF TEAM MEMBER**

**7.1.** Athletes are required to report all performance limiting injuries, illnesses, conditions or medical operations that occur prior to or after their selection for the Competition. Reporting includes providing medical evidence to the High-Performance team (JA Technical Director, National Coaches, AW&E Manager) relating to the assessment, treatment and rehabilitation plan.
