4 / GENERAL PRINCIPLES

The *Youth Olympic Games Dakar 2026 – Participation Principles* (**Participation Principles**) set by the IOC (available here: YOG Dakar 2026 Participation Principles) is the overarching document which outlines the maximum number of quota places that can be allocated to an NOC per event at the 2026 YOG. It also sets out the principles for how those quota places will be allocated among NOCs.

All entries will be managed directly by the IOC in collaboration with NOCs, International Federations and the Organising Committee to ensure that the quota places are allocated in accordance with the Participation Principles. For clarity, the International Federation will not have a separate qualification system, although minimum sporting and eligibility criteria will still apply in their respective events, as outlined in clause 6.4.

5 / NOMINATION AND SELECTION PROCESS FOR THE 2026 AUSTRALIAN YOUTH OLYMPIC TEAM

The process for the nomination and selection of Athletes for the Team is as follows:

(f) **Qualification**: the National Federation or the AOC, as Australia's NOC, may be allocated a quota place for an event on the 2026 YOG programme by the IOC, in accordance with the Participation Principles. The AOC will determine whether or not to use any quota place allocated to the National Federation or the AOC;

(g) **Nomination:** Where a quota place for an event has been allocated to the National Federation or the AOC, and the AOC determines to utilise that quota place, the National Federation must nominate Athletes to the AOC for selection to the Team, in accordance with this Nomination Criteria.

(h) **Selection:** The AOC is responsible for determining whether to select a Nominated Athlete to the Team, in accordance with the Selection Criteria.

6 / NOMINATION BY JUDO AUSTRALIA

6.1 General

The National Federation must provide, or otherwise make available, this Nomination Criteria (and any amendments to it) to all Athletes, including by publishing this Nomination Criteria on the National Federation's website.

(b) The National Federation may only nominate Athletes to the AOC in accordance with this Nomination Criteria.

(c) This Nomination Criteria will take effect on and from the date of approval by the AOC and will cease to have effect at the conclusion of the Games.

(a) For the purpose only of identifying prospective members of the Team, the National Federation and/or the AOC may maintain a short list of Athletes (**Short List**).

(b) For the avoidance of doubt, membership of the National Federation's or AOC's Short List does not increase, decrease or otherwise affect an Athlete's prospects of being nominated by the National Federation, or being selected by the AOC, to the Team.

6.3 Quota Places

(a) The National Federation may only nominate Athletes to the AOC for selection to the Team where, pursuant to the Participation Principles, the IOC has awarded the AOC or the National Federation quota places.

(b) The National Federation may not nominate more Athletes than the number of quota places awarded to the AOC or the National Federation under the Participation Principles.

(c) For the avoidance of doubt, the fact that the results/performance of an Athlete has secured a quota place for the National Federation or the AOC under the Participation Principles does not ensure nomination of that Athlete by the National Federation to the AOC for selection to the Team.

6.4 Eligibility criteria

The National Federation will not nominate an Athlete unless, as at the Nomination Date, the National Federation is satisfied on reasonable grounds that the Athlete:

(a) is an Australian citizen;

(g) in accordance with the Participation Principles and International Federation's minimum sporting and eligibility criteria, must be born between 14 November 2008 and 31 October 2011 (inclusive); and

(i) *Minimum Grade*: achieve 1st KYU in Judo; and

(ii) *Performance Records*: must submit verifiable performance records from their National Federation, covering the previous two (2) years (2025 and 2026). These records should highlight the athlete's top three (3) results from recognised International Federation competitions.

6.5 Nomination Criteria – Individual Events

(a) If the AOC obtains quota places in accordance with the Participation Principles, the National Federation will nominate the Athlete, having regard to clause 6.4, who achieves the best **Three (3) Result Average** at a recognised International Federation competition during the Performance Period in either:

(i) the Athletes relevant Event; or

(ii) where the relevant Event is limited to the IOC-prescribed weight categories for the Games, the lower adjacent weight division.

(b) If there are two (2) or more Athletes that have an equal Three (3) Result Average under clause 6.5(a), then the National Federation will nominate from those Athletes, the Athlete who has achieved the highest single result at an International Federation recognised competition during the Performance Period.

(c) For the avoidance of doubt, for the purposes of determining the relevant divisions for each Event under clause 6.5(a), the applicable divisions are:

(i) **Men's Events:** –55kg (including –50kg), –66kg (including –60kg), –81kg (including –73kg), –100kg (including –90kg); and

6.8 Amendments

(a) This document may only be amended with the written consent of the AOC Selection Committee.

(b) The AOC may amend the AOC Selection Criteria from time to time in its absolute discretion. Where the AOC forms a reasonable opinion that this Nomination Criteria requires amendment, the AOC must notify the National Federation of the required amendments.
